

Student Office 365

All students in Anglophone East School District have an Office 365 account.

Office programs such as Word, Excel, PowerPoint are accessible online by signing in with your student username and password (example: HCPS12365@nbss.nbed.nb.ca, school password) to www.office.com

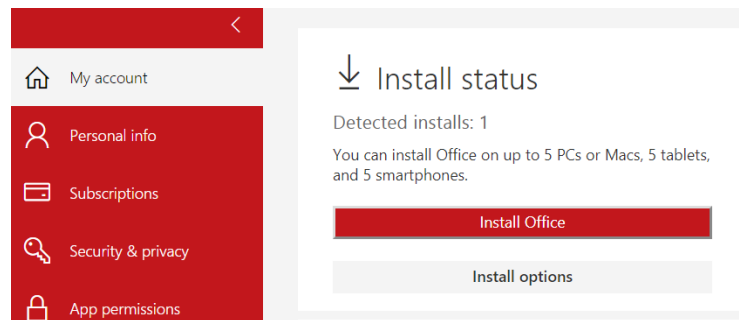

**If a student of Anglophone East School District is not sure of their username and password please speak to their homeroom teacher*

To download Office desktop programs to use on home devices please sign in to www.office.com

Click on your account - round circle at the top right corner on www.office.com

Click on “My Account”

Click on “Install Office”

This account will remain available while the student is a student within the Anglophone School District.

We do not offer any technical help or support with these programs.
