April 2021

Bernice MacNaughton High School – Graduation/Diploma Presentation 2021

This message is addressed to all 2021 BMHS graduates and their families. Last year saw unprecedented changes in our educational system. Today's COVID-19 situation has changed the way we work, be with family and friends, and celebrate. Graduating from high school is an important step in every student's life. This celebration was an important school event for all of us, but unfortunately, with the restrictions put in place by the provincial government, we need to make major changes.

Bernice MacNaughton High School is finalizing a plan to commemorate our 2021 class. Please note, the final details are still being confirmed, but it is important to know that our graduation ceremony will take place June 24 and 25, 2021. The reservation system will be available by the end of May or the beginning of June. Each graduate can bring no more than nine guests to the ceremony. More details will be provided in the coming weeks regarding the number of families who will be able to meet during the appointment period. As a result of the global pandemic and restrictions imposed by the Department of Public Health, some traditional graduation activities will not take place this year, including the Prom and Safe Grad 2021.

There will be a graduation ceremony at Bernice MacNaughton High School to pay tribute to our graduates. The presentation of the diploma will very much resemble that of last year. We are developing plans for the orange and yellow phases of recovery based on the provincial situation in June. As a result of lower costs associated with the presentation of an academic diploma, the graduation fee will be \$65. Fees may be paid online via School Cash (link available on our website). If you have already paid the full \$130 graduation fee, you should have already received a refund of the difference (\$65). More details will be available shortly and know that we are doing our best to create an event that will celebrate the accomplishments of our graduates.

We are grateful for your patience. We are excited to celebrate the BMHS Graduating Class of 2021!

A handwritten signature in black ink, appearing to read "Martin Daigle".

Mr. Martin Daigle

BMHS Principal
