

Dear Parents/Guardians,

Last spring the BMHS Friends of the Highlanders met to organize a fall, 2016 fundraiser. After review of the staff “wish list” it was agreed that the funds would be used to support upgrades to the school theatre with support from district office as well, to assist with expenditures as the district realizes that this facility is greatly utilized by the community.

Upgrades to the theatre will include lighting and screens which were identified as a priority. The committee is working on finalizing the details to get this work underway.

The BMHS Friends of the Highlanders committee is busy in the planning stages of organizing another fundraising event for the 2017-18 school year. It was decided that November 3rd, 2017 would be the date for the next fundraiser.

Thank you to those who attended Tuesday, May 29th meeting to share interest in being part of the FOTH school fundraiser.

If you have any further questions on the Friends of the Highlander’s please reach out to Shannon Baxter-Chair-msbaxter@nbnet.nb.ca OR Adam Trider-teacher rep-adam.trider@nbed.nb.ca
