

Today is Monday, May 11th and this is Mrs. Godfrey with some messages for students who are currently in Grade 10 and Grade 11 at Caledonia.

The course selection process for the 2020-2021 school year will be completed online this year – and applies to all of you.

Students who are currently in Grade 10 and Grade 11 may now select their courses online for the upcoming school year. The process is quite user friendly, but if you have any questions you can reach out to Mrs. Lean – our Guidance Counselor – via email at heather.lean@nbed.nb.ca.

Please use the link provided in this email to complete your online course registration for next year. The link is also available on our school website under School News.

You will use your school email username and password to access the link. If you are unsure of your school username or password, follow the instructions on Caledonia's website page to gain access to them.

I have included some documents to help you with the process.

The online course selection is open now and will remain open until Friday, May 15th
