Update on SIP-

- Enrollment - total enrollment 298.
- M.J. Savoie began her maternity leave. Mme. Arsenault will teach her class until the end of the year.
- We will have full time guidance next year. We were granted an additional 0.4 FTE based on our need and request.
- Our Resource allotment will remain the same for next year.
- Our school ventilation system and bathroom project did not make it on the Capital Works list for this year.
- An air quality test was completed

PLWEP -2018-2019 - Self-regulation, resiliency, restorative practices, growth mindset, You Room, Changing Minds and request for full time guidance.

Ms. Pleshka reviewed data that drives the PLWEP.

Grade 5 Leadership students will do some training with the Boys and Girls Club concerning some aspects of mental health.

School will work on feeling connected, resiliency, healthy lifestyles.

DEC - Brenda Mawhinney - Discussed the Capital Budget for the next school year. We are on the list for ventilation and a new communication system.

****Next meeting will be September 2018**
