Staffing Update-

Brianna Wilson is a behaviour mentor. She will spend some time at CDT. Works with ESS and teachers.

Eastern Safety Services are patrolling the school grounds in Riverview every night. All schools in Riverview are reporting incidents at different times during the day and night. Hoping this will continue into the spring and summer. Also 3 new security cameras will be added to the 5 that are already.

Joseph motioned and Dean seconded that Brenda pass along our support that the Eastern Safety Service continue.

Grow stations (2) are built and ready for the students to plant seeds and grow different plants and vegetables.

PSSC Budget- \$260 to spend. Angela asked if the PSSC would use the budget on the communication station. Ben motioned and Dean seconded. All voted in favor.

Motion to adjourn by Richelle and seconded by Dean.

****Next meeting to be on April 14th at 6pm.**
