Outdoor Gym Classes

Please ensure that your child is prepared for outdoor activities. The physical education classes will be going outside for snowshoeing and sliding. All children must be dressed for outdoor activities appropriately with snow boots, snow pants, hats and gloves.

Water Polo

Our grade 5 water polo team has a game Tuesday, January 14 after school at the Riverview Aquatic Center. We are playing WRES. Games begin at 3:15pm and usually last an hour. Come out and support our students - there is an observation area☺

Parents are reminded of the ASD-E **Snow Line at 856-SNOW (7669)** and www.asd-e.nbed.nb.ca This line provides up to date information on storm closures, late busses and delayed starts.

Winter Wear

We will be opening our sliding hill to students on favorable sliding days at lunch time. Students must be dressed appropriately with a jacket, hat, mittens and snowpants. A helmet is strongly recommended. Kindergarten students will be going during their PE classes. The teachers will let you know when this will happen. The following schedule notes grade level sliding days:

- **Monday: Grade 1**
- **Tuesday Grade 2**
- **Wednesday Grade 3**
- **Thursday Grade 4**
- **Friday Grade 5**

The sliding hill is often used by classes throughout the day so we ask that parents only bring their children to use it at the end of the school day at 2:35 pm.

Up coming meetings

The next **Home and School** meeting will be held this **Friday, January 17th at 12:30 pm** in the conference room. All are welcome to attend.

The **PSSC** will be meeting **on Wednesday, January 15 at 6pm** in the conference room beside the office. All are welcome to attend.

Hackmatack Reading Club

The Hackmatack reading club has started for students in grades four and five. The club will be held every noon hour except for Mondays from 12:00-12:30. Students are free to attend on the days that work for them. It is a drop-in club and it isn't mandatory that they attend all sessions.

The Hackmatack reading club is a literary program designed for young readers in Atlantic Canada. Each year, thousands of children in grades four to six, read from the selection of outstanding Canadian books. There are twenty books, both fiction and non-fiction titles.

The purpose of this club is to allow students to gather, read and discuss the books, to foster the development and appreciation of Canadian authors and to promote and advance reading and literacy skills.

Lego Club

"K-2 students are invited to join Mme. MacPhail in the multi-purpose room at 12:05 on Thursdays for Lego Club! Students will have fun with their friends and meet people in other classes while working together to build Lego masterpieces using their own imagination or printed instructions for special projects."

Colouring Club

There will be a Coloring/Puzzle Club for grades 3 + 4 on Tuesdays from 12:00 p.m. to 12:30 p.m. Until the end of April...starts next week! The club will meet in Mme. Mawhinney's room.
