January 11, 2021

CLAUDE D. TAYLOR SCHOOL

The province is now back in the orange alert level in response to Covid-19. The Orange Alert Level means staff and students will be required to follow specific safety measures, which includes increased mask-use at all grade levels. Full details of these directives were outlined in a document sent to families by the district last week.

Public Schools Mask use:

Students in Grades K-12 are required to wear a mask on a school bus, even when sitting alone or with a member of the same household.

Students in Grades K-8 are required to wear a mask at all times at school, including outside. Exceptions are when students are sitting at a desk working silently, eating, or engaged in sports activities during physical education class.

School personnel are required to wear a mask at all times at school, including outside. Exceptions are when they are eating or sitting alone in their closed office or classroom.

Student Profile Sheets

Yellow Student Profile Sheets will be sent home with your child today. Please read over the form to verify the data, make any corrections, and send back to school as soon as possible.

Parents are reminded of the ASD-E **Snow Line at 856-SNOW** (7669) and www.asd-e.nbed.nb.ca This line provides up to date information on storm closures, late busses and delayed starts.

Winter Wear

We will be opening our sliding hill to students on favorable sliding days at **lunch time**. Students must be dressed appropriately with a jacket, hat, mittens and snowpants. A helmet is strongly recommended. Kindergarten students will be going during their PE classes. The teachers will let you know when this will happen. All other classes will be able to slide during their lunch hour when they are **in Zone 2**.

The sliding hill is often used by classes throughout the day so we ask that parents only bring their children to use it at the end of the school day after 2:35pm. Children are not permitted to bring their own sled to school.

PSSC

The next PSSC meeting will be held virtually next Wednesday, January 13th.

Picture Retakes

Picture retakes were scheduled for last Thursday but had to be postponed due to the province being back in the Orange Zone. We will notify you when we are able to reschedule.
