

Frank L. Bowser School

December, 2018

Dear Parent/Guardian:

Please read the following information carefully as it concerns details about important events and activities happening at Frank L. Bowser School during the month of December.

The Rebecca Schofield All World Super Playpark-Your FLB Playground Committee has been working hard raising funds and working on developing a plan and a budget for a new play park. We are estimating a cost of \$650,000 to keep the same look and feel, while increasing accessibility and ensuring longevity of the materials it is constructed of. We are over half way to our goal! Your Playground Committee cannot raise these funds on its own; **we need your help**. Please check out the following links on ways to support and become involved.
