

CALL FOR VOLUNTEERS

Help us build the park!

JUNE 4-10

It's almost time to come together as a community and (literally) build the Rebecca Schofield All World Super Play Park. Hundreds of amazing community leaders, parents, students, and donors have already jumped on to support the campaign and help us build the park. Now it's time to get everyone involved!

Construction is slated for June 4-10 and we are looking for hundreds of volunteers of all skill levels to come and help us with the construction process.

CAPTAINS: We are in great need of leaders. Those who would like to be a big part of build and can commit to attending every day. No skills are required beyond being good with people and have a positive attitude.

SKILLED LABOUR: If you are comfortable with the use of power tools and measuring that's all the skill we need for this job!

GENERAL LABOUR: We need help with everything from working in a team on the build, food services, childcare (police record check required), traffic directing, site-cleanup etc. No experience necessary. Jobs will be assigned based on the team's need at the time.

*childcare is available for those 10 and under. Please register at time of sign up. Those 10 and up can help on the build under parent supervision.

WE NEED YOUR HELP #beccatoldmeto

We're almost there but we can't do this without you. Help us make the new and accessible Rebecca Schofield All World Super Play Park a reality.

The community has come together and raised over \$550,000 so far - but we're still \$100,000 away from reaching the goal. With construction slated for the first week of June - this is the final push.

Our goal is that as a school community we can collectively raise \$10,000 towards this goal. Every dollar counts. If everyone can donate even a few dollars, it will add up and help make the new park a reality.
