Dear Parents and Guardians,

We want to continue to express our gratitude to our families as the school system has navigated the current COVID-19 global pandemic.

Teachers and school staff will be returning to our schools as of June 1st. They will be working hard to ensure that the classrooms and schools are safe and prepared for the anticipated “new normal” of school in September 2020.

Although staff will be back in our school buildings on June 1st, the schools will not be open to the public. If you need to speak with a teacher or administrator please call or email and let them know what you would like to discuss. We will contact you and arrange a call or virtual appointment.

Student registration can be filled out online here: <http://web1.nbed.nb.ca/sites/ASD-E/Pages/Student%20Registration.aspx>

The Continuity of Learning Plan will end on June 12. Students will be receiving their report card the following week, schools will make the arrangements for the delivery or pick up of report cards.

Thank you for your continued understanding, student and staff safety remains our priority

Thank you,

Gregg Ingersoll
Superintendent
