

MARSHVIEW MIDDLE SCHOOL PSSC

Meeting Minutes

- **Monday, January 30, 2017 @ 6:30 pm**

I. Attendance & Regrets

Andrew Wilson, Marjorie Doherty, Rachele Kingsler, Jackie Jacob-Vogels, Michelle Lloyd (Chair), Maria Beltz (Staff Liaison), Ruth Donald (Principal)

Regrets: Gordie Kline (Vice Principal), Michelle Folkins (DEC)

II. Approval of Agenda & November 28, 2016 Minutes

III. Magazine Campaign Expenditures

- \$10,008.70
- The question was posed and discussed as to why the office safe maintenance; fire extinguishers; and shredding would be covered by the magazine funds. Were temporarily used while juggling the budget and to be reimbursed by the school budget.
- Discussion of Hokki Stools

IV. TTFM Results

- Mid-year counselling in regards to results of TTFM
- Are the results anonymous? – YES
- Do last year's results go to the RCMP? – Ruth is making the connection with the obligation to follow up.
- There is no breakdown of gender.
- What happens after the results? – the information is provided.

V. Updates

- BBT Lab – Robotics – to purchase what is needed
- Residential microwaves were replaced by industrial microwaves upon request of the Fire Marshall. Four have been purchased with one designated for “The Place”.

VI. Recipient of the Rotary Gold Mine for 2017/18

- Marshview was accepted as a recipient of the Rotary Gold Mine for 2017/18.
- Designating the funds to run the following programs: Blessings in a Backpack; Breakfast Program; and Cooking Club (Maria Beltz & the Rotaracts).

VII. NPDL – New Pedagogies for Deep Learning - <http://npdl.global>

- Marshview is one of seven schools in the District to volunteer to participate.
- Inquiry based learning
- Joining the Canadian cluster of schools
- Research by Dr. Michael Fullan

VIII. Feasibility Study (Sackville Schools)

- The feasibility study was accepted and the District is to initiate within the next few months.
- Expected turn-around of results is 3-7 years.

IX. Sackville Schools 2020 Update (By Andrew Wilson)

- With the presentation to the DEC, the feasibility study was passed. Still discussion of retrofitting Tantramar to accommodate Marshview student body, but has yet to be investigated.
- The committee have met with everyone involved. The DEC and District appear to be on board. Investigating the possibilities of creating the idea of a “hub school”.
- There is a documentary being created by Laura Fox on the local schools.

X. Other Business

- General discussion

NEXT MEETING: March 20, 2017 @ 6:30 pm
