Friday October 6th, 2017

We had a great week as usual at Marshview kicking off our magazine campaign, practicing our safety drills and hosting our picture day! Today, homeroom teachers will be sending home their monthly newsletter. We wish you a happy Thanksgiving weekend! We are thankful for our incredible, well-mannered, inquisitive students!

Mrs. Dixon

Magazine Campaign

Our students came home this week with magazine subscription fundraising forms. As per the fundraising policy 151, Student participation is voluntary and the safety of our students is our primary consideration – please be mindful when canvassing. Students are able to submit ballots for some amazing prizes! Just one subscription sale could win you an Ipad, or scooter! First counting day is on Tuesday!

Atlantic Canada Career Week

October 30th-November 3rd is Career Week. Some middle school students are curious about careers and perhaps, as parents, you are even beginning to think about future education for your children. Two great opportunities for exploring these topics are available to you:

Website: careercruising.com

username: marshview password: middle

Explore careers in New Brunswick and if your child is in grades 7 or 8, he/she will be offered the opportunity to login and create a portfolio in an upcoming school session.

MMS Upcoming Dates

October 9th

Thanksgiving - No School

October 11th

Spirit Day: Plaid Day!

October 13th

School picture orders due

How Incredible! We are so Thankful!!

The Rotary Pancake Breakfast held during fall fair weekend welcomed numerous family and community members. Funds raised from this endeavor were in support of our breakfast program.

Rotary teamed up with the folks at Scotia Bank who matched monies raised. I am thrilled to say I attended the Rotary meeting on Thursday and was presented with a cheque for the amount of **\$10,000!!** We are beyond grateful for our incredible community!

Marsh Hawks in Action:

Girls Soccer: Our amazing girls have remained undefeated this season! This week's win against Petitcodiac (goals scored by Penelope Anderson and Colleen Wade) secured a playoff spot. All players are contributing to the team's success! Way to go Marsh Hawks! We are so proud of you!

Intramurals: Our first block of intramural activities are in full swing. Students are participating in an 8 week block of soccer with our 5/6s playing Monday and Wednesday and the 7/8s playing on Tuesday and Thursday. Intramurals build upon our leadership skills with peer referees. The Mounties in Motion will be joining us later this month to help with our intramurals and with skill development.

Grade 7 Immunizations:

Our grade 7 students will receive their Tdap and HPV immunizations on October 24th. This clinic is run by Public health and will be held in the library.

A Connected School!

At Marshview select classes (social studies and tech) are piloting a new web-based app called SeeSaw. This application makes it easy for students to submit work and share ideas and comments with classmates. Parents will be invited to install the free app and be able to see their child's work in real time as it is being submitted. Instructions will come home shortly.

PSSC

Our first meeting of the PSSC will be held on October 18th from 7:00-8:00pm in the Marshview Conference Room.

Notes from the Office

Pictures from today are due back on Friday October 13th.

Reminder: Student fees are due. \$25.00 through the office or schoolcashonline.ca

*On Wednesday students from **6SB** and **6AL** combined to play multiplication games. Math games like these positively impact the curriculum work we do every day!*

Citizenship Week October 9-15

How fitting! Citizenship week is being celebrated across Canada from October 9th to 15th. Canadians will be reflecting on what it means to be a Canadian and celebrate citizenship.

Here at Marshview, we congratulate Ginette Glew from our Cafeteria who has her citizenship swearing in ceremony on October 19th!

Ginette is originally from Bletchley in Buckinghamshire County in England, moved to Canada 11 years ago, and has been with us at Marshview for the past year.

You've always been a Canadian in our hearts and we are thrilled that you've made it official!
