What a great month!

Mr. Basque and I have been having a great time with the staff and students and we are pleased with our year so far. We continue to look for ways to involve the students in decisions and are making some great partnerships in our community. We look forward to what is to come!

## Every Child Matters

I am proud of our school for participating in Orange Shirt Day honouring residential school survivors as we move towards reconciliation. On the announcements each day this week, students read messages about why we recognize Orange Shirt Day, along with testimonials from Residential School survivors. Thank you to students Sophie Estabrooks, Carys Trenholm, and Tyler Acton for making our announcements.

## Terry Fox Run/Walk

Our students participated in the annual Terry Fox Run to raise funds for cancer research. Students were able to run or walk the 2.8 km route that looped around the MTA track. Mr. Whittleton lead the school in a group warm up on the field before our runners led the charge. Thank you to our volunteers and local RCMP for ensuring our students safety en route. When students returned to the school, they were welcomed back with Belliveau Orchard apples - What a tasty treat! At Marshview, we are proud to keep Terry's dream alive and discuss the importance of his Marathon of Hope.

**Cross Country:** Our first warm up meet took place at Centennial Park on Wednesday afterschool. Our runners did a fantastic job! Congratulations to: Riley Basham, Ben Horyl, Adrianna Partridge, Drew Paynter, Evey Scott, Lily Snowdon, Kate Snowdon, Kahlen Telford-Bradley, Merrik Tower, Zach Tucker, Kasey Weldon, and Marshall Whelton. Way to go!

## Go for 42:

Our Grade 5 students are participating in "Go for 42", a spin off from the Legs for Literacy running event. This initiative focuses on inspiring youth to become more active – making daily physical activity part of their routine. Our grade 5 students participate by running/walking around the school each day (15 min/day). Our goal is to compete a marathon distance (42.2km) as a series of 1-2 km run/walks during September and October. Way to go Grade 5s!

## PSSC Correction:

The staff members supporting our PSSC will be Mrs. Lafford and Mrs. Wood Hicks.

## Updates from Mrs. Geier

This month we held our most successful book fair ever and raised over \$900.00 in books and cash for the library! Janelle Crossman was the door prize winner.

The library is still collecting Independent store receipts! This program is being terminated at the end of the year, so all receipts need to be handed in to your homeroom teacher by November 30<sup>th</sup>.
