

Good afternoon,

Moncton High School is looking for host families for 2 grade 12 female, Italian, Visiting International Students starting February 1st. The students will have completed their quarantine period prior to placement in your homes. There is a living allowance to offset the costs of these students living in your home and it is a great way to learn a new language and culture.

For more information please contact: marc.mcgeachy@nbed.nb.ca or 506-866-0980

The host family does not have to be your direct family, but must be within the Moncton High School area, preferably on a Codiac Transpo Bus Route.
