

Moncton High Absence Management System / Safe Arrival

Hello Parents and Guardians

We have just instituted our new Safe Arrival program that the K-8 schools have been using since the beginning of the year. There may be some growing pains during the beginning stages but we would ask our staff and parents to be patient as we iron out the kinks. In the long run we feel this will be a better system for all. Below is the process that will occur.

Phone Message:

This is a message from Moncton High School. A student in your household named <<First Name>> <<Last Name>> was absent on <<Absence Date>> for the following periods <<Absent Periods>>. To inform the school of the reason for this absence, please report it through our absence management system, by calling 1-833-202-4304.

Email Message:

Dear Parent/Guardian,

Please do not reply to this e-mail as it is for your information only. This automated attendance system calls and/or emails home to report your child's absence from class(es) regardless of whether you have called the school or sent a note.
