

## Moncton High School Song

Stand up and cheer for old Moncton High  
Ring out her name right up to the sky  
Play the game and then you'll see  
That is the road to victory.

When'ere you see our purple and white  
You can be sure that we're out to fight  
For the school that we love best  
So cheer loud for victory.

In our short time we try hard to keep  
Our old spirit that's grown so deep  
With the grads of former years  
For alma mater give three cheers!

(Rah Rah Rah)

Old Moncton High will win o'er them all,  
Come Moncton High and answer the call...  
We will try to lead the rest so  
Cheer loud for victory.
