

Moncton High School Song

Stand up and cheer for old Moncton High
Ring out her name right up to the sky
Play the game and then you'll see
That is the road to victory.

When'ere you see our purple and white
You can be sure that we're out to fight
For the school that we love best
So cheer loud for victory.

In our short time we try hard to keep
Our old spirit that's grown so deep
With the grads of former years
For alma mater give three cheers!

(Rah Rah Rah)

Old Moncton High will win o'er them all,
Come Moncton High and answer the call...
We will try to lead the rest so
Cheer loud for victory.
