

Good Morning,

Moncton High School is again accepting requests for track changes for 2<sup>nd</sup> semester. Please complete the link before January 22, 2021 if you wish to apply for a change. Changes will not be made without a complete application form.

Your options are:

- I am currently in TRACK A, but wish to change to TRACK B.
- I am currently in TRACK B, bus wish to change to TRACK A.

Due to the current number of students in each track, we have more flexibility to move those that want to move from TRACK B to TRACK A.
