**Adoption of minutes**

Motion the minutes by Erica Berry, seconded by Joel Eastwood

**Discussion of DEC vote**

Government has delayed any further action with regard to updating/adding schools at present.

PSSC happy that we have passed the first hurdle and we are on the list but could be a long wait

**New Business**

**Grade 2 Assessment Results & Report Card Results**

See Right for results of Gr 2 assessments

Did not write and Exempt are included in below appropriate so Mtn View had a 5.9% included in below when they were exempt

Grade 2 assessments will no longer be tracked. This year Grade 4 will be assessed instead.

**Brenda to look for data comparisons for the various entry levels to immersion and assessment results to  
\*\*A share at the next meeting.**

See Right for Report Card Result Grades 1-5

Kindergarten not inc.

**Student Perception Survey Results**

16 grade 4 and 11 grade 5 participated

100% value school outcomes

100% english and 100% canadian student population this year.

Many of the results were very interesting or conflicting in what they said.

Language on the survey was not grade appropriate and teachers spent over an hour trying to help class thru questions.

Written answers at end of survey spoke best of student thoughts, overall being that they love their school/family even if there is

occasional conflict or annoyance amongst them. And many would like a bigger gym!

## Newsletter

Newsletter email doesn't seem to be working, many parent seem to be missing it.  
Going back to paper newsletter

## Discussion of Provincial Nutrition Policy - Chocolate Milk

Teachers prefer not to start the chocolate milk program  
New Canada Food Guide has excluded dairy  
PSSC felt it wasn't necessary to re-introduce chocolate milk

## SIP/PLWEP Goals

This will be measured by a  
random sample interview process, administered in Nov and May  
Guidance teacher is interviewing students on the pro social and individual success items  
42% of the week the Lions den is supervised. As well as recesses and lunches. Mind up curriculum and restorative process also  
still being used. The use of the Lions Den is down in the new significantly, as well it is taking less time for the student to settle and  
return to class.  
Data to be collected to show the effectiveness of the duration of time spent in the room according to the Joel asked how we will see results, should be a report in June for Nov and May results that will  
effectiveness.
