

SCHOOL LOCKER SEARCH POLICY

PRS provides school lockers for all students (Gr. 6-12) during the school year. The lock and locker is rented to you for storage of educational materials and your personal belongings. Please do not keep anyone else's belongings in your locker.

1. We have a zero-tolerance for possession or storage of illegal or dangerous items at PRS. You cannot keep any of the following in your school locker:
 - Anything that could be used as a weapon
 - Anything deemed by the school or police to be a danger to students
 - Anything that is illegal to possess
2. Lockers are property of PRS. Given reasonable grounds that you have anything listed above in your locker, PRS has the right to open, search and inspect your locker without notice.
3. If PRS searches your locker and finds anything contravening this policy, those items will be seized and result in further disciplinary action. If anything illegal is seized it will be turned over to the Royal Canadian Mounted Police (RCMP) for possible criminal investigation and charges.
4. All PRS students will read and sign this policy and return it to their homeroom teacher for safe keeping in the Main Office. Parents and guardians of all students will receive a copy of this policy.

I have read and understand this school locker search policy.
