Dear Parents and Guardians,

These have certainly been difficult times that have required a lot of patience on everyone's part. Thank you for being understanding, patient, and flexible. We are here to help our students in whatever ways we can given the expectations from the province, public health, the Department of Education and Early Childhood Development, and the district. Please let us know if there is someone that needs additional support.

At 3:20PM today and tomorrow, homeroom teachers will provide students with a paper copy of their report card. At 4:00PM today, parents, guardians, and students will also be able to login to the PowerSchool Public Portal to review this same information. The address for this portal is: <https://sisasde.nbed.nb.ca/public/home.html> To access the portal, you will need to have created an account with the information sent home with students at the beginning of this school year. Additional information on accessing this portal can be found at: <https://asdeast.nbed.ca/power-school/>

Along with the report card, homeroom teachers will provide students with a list of courses each student has requested for the 2021-2022 school year. You do not need to return this list of requests; however, if you have a question, please reach out to the school and we will have someone contact you. Please note, this list of course requests is already available on the PowerSchool Public Portal described above.

We will be exclusively using the PowerSchool Public Portal for future report cards, distribution of course schedule for students, and other related information. In other words, this will be the last time we automatically print this information for all students. We will still print this information on request. If you are having trouble accessing the portal, please review <https://asdeast.nbed.ca/power-school/> first and then contact the school.

As reminder, Parent Teacher Interviews will take place on Tuesday, April 13<sup>th</sup> from 6:00PM-8:30PM and on Wednesday, April 14<sup>th</sup> from 1:00PM-3:30PM. All interviews will take place by appointment only and they will be conducted over the telephone. To make an appointment, please visit:
