

RHS School Song

Of our school it is said when we wear the white and red
how we're proud of the colours we show.
To our games, home and far, we are proud of who we are,
so we always let the other team know.

Chorus:

So it's rah rah hooray, we'll back our school today.
We'll sing out our cheers loud and clear -loud and clear.
Wherever we go...we're sure they'll always know
that our school never once thought of fear.

Of our teams we are proud, so we back them with a crowd
to help them to come out on top.
Through the thick and the thin, we always wear a grin
and we're sure that the others will stop.

Chorus:

So it's rah rah hooray, we'll back our school today.
We'll sing out our cheers loud and clear -loud and clear.
Wherever we go...we're sure they'll always know
that our school never once thought of fear.
That our school never once thought of fear!
