Grades 10, 11, and 12

The school supplies a student needs is often dependent on his or her individual schedule. The following is a list of supplies every student should bring on the first day of school. The classroom teacher will provide information on anything else the student needs specific to that class.

1. Binders
 - a. One binder per class is recommended (total of 5).
 - b. A smaller number of binders is acceptable as long as the student has a system with dividers for organizing notes and materials.
2. Loose Leaf (1000 sheets) – Extra can be used the following year.
3. Pens
4. Pencils and Erasers
5. Highlighters
6. Scientific Calculator
