Approval, Declaration, and Release

I support my son's / daughter's request and agree to support the process outlined in the Request for Early Return to Eligibility for Extracurricular Activities information letter. I also give permission to the school's administration to share with the committee of teachers the details of the event(s) leading to my son's or daughter's suspension from eligibility and all other information relevant to eligibility status (e.g. academic information, attendance, behaviour referrals).
