May 27, 2014

Dear Parents/Guardians:

On behalf of the Riverview High School Staff, it is my distinct pleasure to extend to you an invitation to attend a Grade 9 Information Evening on **June 12, 2014**. We will be starting the evening at 5:30pm with tours of the school. At 6:30pm we will meet in the school theatre. Topics to be discussed will be the grade 9 transition day on **September 2, 2014**, program of study, co/extra curricular opportunities and school life.

Following your visit to Riverview High School, we will welcome all grade 8 students to Riverview High on **June 13th** at 10 am for a school tour and further specific information as to a "day in the life of a student at R.H.S."

Thank you very much for planning to join us on **June 12th**. We are looking forward to your daughter/son beginning a successful transition to a very positive high school experience.

Sincerely,

Kim Oakley
Vice Principal
Riverview High School
