Sunny Brae's Writing Club
- In writing club, students are working on developing skills in word choice - including choosing words for maximum impact. As such, we have been creating micro-fiction texts, which ask students to be mindful of descriptive language that encourage their readers to visualize and feel what the characters are feeling.

On Sunday, April 28th, a number of Sunny Brae students participated in the Budding Writers conference of the Northrop Frye Festival. These students worked hard to create an original literary text to share with the public.

Sunny Brae News:

Career Fair: There were 34 booths during the morning Career Fair session. There were post-secondary institutions from NB, NS and PEI as well as numbers of Healthy Lifestyle booths.

In the afternoon there were 33 different Career Guest Speakers from our community. Many guest speakers have contacted the school with the level of maturity and fantastic questions from our grade 8 students.

Leadership students made special treats for all of the Guest Speakers and their classmates.

Sunny Brae School participated in the **Plastic Bag Grab Challenge!** We collected plastic bags, and old t-shirts which we turned into reusable bags and gave out at Sobeys'. Keep an eye out at <https://plasticbaggrab.com/> for school results at the end of May! Thank you to all who participated in making our world a better place!

May 23rd—Night of the Arts— This event will showcase Sunny Brae's musical, artistic, theatrical, and literary talents. Students have worked hard in each of their areas, to master the skills displayed on this evening.

Breakfast Club: If you would like to volunteer in or donate to the school breakfast program, please email brigitte.kenny@nbed.nb.ca

Celebration Dance

June 21st– Last Day of School

More Sports News:

Wrestling: Wrestling wrapped up for another season at the end of April. Mr. Falconer and Miss. Smith are very proud of all the hard work that students put in this year. Sunny Brae wrestlers have been practicing since March and all won medals at the final District championship. Great work! We are already looking forward to next season.

Track and field will begin mid-May.
