

April 11th, 2013

Hello AES Parents,

Each June the students of the Apohaqui Elementary School enjoy an End of School Year Party, an event to celebrate the achievements of the past year. With your help the AES Home & School Association usually funds and organizes this fun event, and 2013 is no exception.

Throughout the month of April we are taking orders for Barbour's Pop N Top Popcorn Seasoning. (See details and order form on reverse). Each set sells for \$10.00, and includes 24 individual serving size packets of 15g each. These seasoning sets come in your choice of four different flavours, **or** a variety pack that includes six packets of each flavour.

Please note: This information was sent out last week, however we thought we would send along a Ziplock bag for you to carry your money and order form in.

Although we **do not** encourage that you go door to door, please feel free to approach your extended family members and close friends. The cost is very reasonable, and it makes a great treat for your family, as well as a nice gift for someone. Get a set for your babysitter, or the kids favourite Aunt , or that special person on Mother's Day. **The top selling class will receive a prize of a movie and popcorn party!**

All orders will need to be returned to the school no later than Tuesday, April 30th, as we want to have them processed and the product ready for distribution before Mother's Day. **Please note that all orders placed must include pre-payment of either cash or cheque, all cheques should be made payable to AES Home & School Association.**

Thank you for your support of this important campaign,

AES Home& School Association
