Litterless Lunch

Once again this year, we will sponsor a Litterless Lunch day in April. On Thursday, April 21st in recognition of Earth Day 2016, we want to encourage students to 'Think Green' and reduce the amount of garbage we produce here at school. Students can earn a ballot for a special prize when they arrive at school with a litterless lunch on that day.

Remember to pack only reusable containers in the lunch cans!

Our school website has been undergoing some growing pains. Info isn't as up-to-date as we would like. We are working on this. Thanks for your patience.

PSSC Meeting and Home & School Meeting

Marigolds

All of our classes will participate in the Marigold Project again this year. This year's theme is 'Making our Community Brighter', and we are happy to be able to do so here in Apohaqui.

Parent School Support Committee Update

Be sure to join us on Wednesday, April 13th from 5:30 – 7:30 pm for a Summer Program Info Event! This event is being organized by the AES Parent School Support Committee, and is sure to be very informative!

This will be a free event that will highlight active sessions for students and parents, as well as booths/displays to provide information about summer events, activities, camps, and programs available in our area.

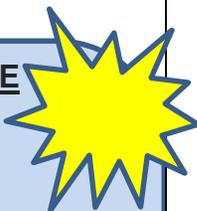

It will be a great opportunity to ask questions of activity organizers and to have a chance to try some things out. AES families are encouraged to join us for Subway supper at 5:30 and stay for the sessions which will start at 6:00. If coming for supper, you must RSVP by Friday, April 8th.

See attached poster for details, and please forward this on to your friends and neighbors.

Weather in New Brunswick!

Br-r-r-r!

Yes, it may be spring on the calendar but it certainly hasn't felt like it the last few days!

Daytime temperatures may be going up, but it can be much colder in the morning than in the afternoon so please have your child dress in layers so that he/she may be outfitted appropriately for the season change. Even the sunniest days may not be warm and the ground is still damp and cold, boots are a good choice over sneakers!

Also, as is the case each spring at AES we will have lots of water and puddles on the playground – a change of clothes in your child's backpack will help to avoid the calls home for dry clothes.

Home and School Association

The Home and School has been keeping busy. Our snack of the month for March was granola bars.

For April we are planning a pancake breakfast for the kids on April 21st. This will be lots of fun. The students can wear their PJ's to school and have breakfast here!!

We are in the process of planning our end of year event at the school and Family Fun Night! Our next meeting will be April 21 at 7:15! All are welcome, please bring ideas!!
