HOME & SCHOOL NEWS

We are excited to start planning The Christmas Dinner and the Christmas concert. Also we have some great fundraiser ideas to get started on as well. The Christmas dinner will be held on Monday, December 9. Also if anyone would like to help by donating to the breakfast club that would be greatly appreciated. We of course need to stay within our health-food policy, any little bit helps!

Our hot lunch program is going great so far. Just want to share some guidelines on how our hot lunch program works. Hot lunch options are chosen on a 2 month basis. There will be some variations introduced. You can find the monthly cost of each option on the bottom of the monthly calendar that is either emailed to you or in your child's agenda or found on our school website. Remember to Like & Follow us on facebook @ Apohaqui Home & School Association

Hot Lunch Quick Tips: Fill in & return form provided! We strive to stay organized and serving many students gets crazy. The form provided includes all the information we need to make sure your child gets exactly what they have ordered. Our memories are good, but we are unable to remember each students order from previous months. It will be greatly appreciated if you can fill in ALL information. Payments: Please send in correct change. We are unable to make & return change regardless of the amount. Return on Time: Due to our program being out sourced we must adhere to our vendors' deadlines. We cannot accept late orders for any reason. We hope that these guidelines make our ordering process quick and easy!! If you are able to help with Hot Lunch pickup and delivery, please contact the school. Volunteers are always greatly appreciated!

We are excited to say that we have started discussing and picking dates for our wreath fundraiser, the Christmas Dinner and also our Annual Christmas Concert!! More details will follow but we are always open to ideas and especially parent volunteers. If you can devote sometime we will be discussing it further at our next meeting on Monday November 18 @ 7PM. Please mark on your calendars that we will be meeting the 3rd Monday of each month and new faces are always welcome!

Battery Recycling Program: We will once again be running the Battery Recycling Program. For every 5 batteries that are brought in, the student will receive one ballot. At the end of the school year, at least one name will be drawn from all entries over the year and will be presented with a prize.

Curling for Grade 4 and Grade 5

We are excited to have the opportunity for the Grade 4 and Grade 5 students to go curling at the Sussex Golf and Curling Club again this year. Clean indoor shoes, warm clothing (in layers) and helmets are required for students to be permitted to attend. The dates are Thursday, November 28, December 5 and 12.

Thank you to the Sussex Curling Club, organizers and volunteers who make this possible for our Grade 4 and 5 students.

Attendance Matters!
