### Important Dates of Upcoming Events

Family Movie Night at Sussex Drive-In	May 10th
Mother's Day	May 11th
NBTA Branch 0618 AGM—No School	May 16th
Victoria Day Holiday—all NB schools closed	May 19th
Kindergarten 2014-15 Transition Day	May 30th
Father's Day	June 15th

Act for the Planet – Kids, their parents and their teachers are invited to join thousands of other kids around the country acting for the planet. Submit a photo or drawing of your earth-friendly action to see it appear on our website, and enter to win great prizes from Sony Canada. Click on the Act for the Planet picture to learn more. If you missed out on Earth Day celebrations this year, don't pass up this second chance! If you've already joined in, we hope you'll have fun adding some warm-weather activities to the mix. We had a longer winter this year, so many of you were unable to enjoy your favourite Earth Month activities and actions. You told us how disappointed you were on Facebook, Twitter and by e-mail. It's hard to pick up litter when the ground is still covered in snow, plant a garden when the soil is frozen, or bike to work during an April blizzard.

Besides, why should April have all the fun? The planet needs our help 365 days a year!

Happy Earth May!

– The Earth Day Canada Team

KVMHA, Hockey NB and Esso are pleased to offer a **free** Learn to Play Hockey for girls born from 2007 - 2002. Open to girls who are **not** currently registered with a Minor Hockey Association and are interested in giving hockey a try prior to open registration. Learn to play hockey, have fun & make friends. KVMHA

### **Thank You SES Home and School for the beautiful school t-shirts**

handed out this week to our kindergarten students! Each year the SES Home and School gives a free t-shirt to all our new kindergarten students. At the start of the 2014-15 school year we are going to be looking into pre-paid ordering of larger school shirts for the older grades since the kids often out-grow the smaller free one!

## **2013-2014 New Brunswick Elementary Student Wellness Survey**

The New Brunswick Elementary Student Wellness Survey began in 2007-2008 for grades K-5 and was repeated in 2010-2011. As part of the NB Wellness Strategy, the New Brunswick Department of Healthy and Inclusive Communities in collaboration with the Department of Education and Early Childhood Development and the New Brunswick Health Council have undertaken the 2013-2014 NB Elementary Student Wellness Survey to measure and report on the wellness behaviours of all students in grades K-5. Students will be asked questions about their wellness behaviours such as their eating and physical activity habits, bullying, mental fitness and how connected they feel to their school. All students in grades 4-5 will be asked to complete a student wellness survey, and parents/guardians of all students in grades K-5 will be asked to complete a family wellness survey. By taking the time to complete this survey, students and parents can contribute to their school's improvement plans and student wellness activities. On *[insert survey date]*, our school will be participating in this survey, as we aim to improve the health and wellness of children in our community. If you would like more information on this survey, please call the New Brunswick Health Council at 1-877-225-2521.

Chartwells School Dining Services
