## **Construction Zone at SES**

There are currently work projects going on at Sussex Elementary. The first project involves the construction of a building to hold a biomass fuel burning system for heating purposes. The building should be up prior to Christmas and the project is scheduled to finish near the end of March. In

addition to the building a 40ft. high pellet storage hopper will also be installed. You can see from the photo where the building will sit.

A second project that is being completed by the Town of Sussex is an upgrade of the water line that runs from the school on up through the cemetery. This water line is very old and needs to be replaced. With today's technology the new line will be installed adjacent to the old one using directional drilling technology. This means the only digging is what you see in the picture.

## ***SES Code of Conduct***

**I will be;**

***Responsible***

***Respectful***

***Reliable***

## **Lost and Found**

Parents, please be sure to check the lost and found located down by the library when you are in for parent-teacher in 2 weeks!

Things are really piling up!

As a suggestion to prevent losing jackets, please put your child's first name and initial of last name on the tag of any clothing item using a sharpie.

Fundraiser for the SES Home & School Association

For more info, to host a table, or to volunteer, please contact  
[seshomeandschool@gmail.com](mailto:seshomeandschool@gmail.com)

## **Indoor Soccer 2015/2016**

Our 14 week Indoor program will return again this November with a guaranteed 14 week program at Sussex Middle School, directed by Rinie Pijnenburg!

This year we will be breaking down the age groups/days a little differently. Trying to optimize gym time for every group that uses the gym at the middle school, we are still trying to work out the schedule.

The program will start the week of November 1<sup>st</sup> and continuing the 14 weeks until mid February! With starting sooner, it allows storm dates and room for other cancellations!

**Winter 14 week program: \$130.00**  
**Fall and Winter Group price: \$170.00**

Be sure to register early as we will only have a limited amount of spots. We will hold registration for the month of October at Sussex Source for Sports.

### **Parent Teacher Evening/Morning - Thursday Nov. 26th and Friday Nov. 27th.**

It is hard to believe that we are nearing the end of first term and report cards will be sent out 2 weeks from now!

Our parent teacher meetings for term 1 are organized as private meetings between the parent and teacher. At the end of term 2 the meetings are student led and not set up to be private. Your child's teacher will be sending home information on how their meetings are structured. Some teachers book meetings throughout the week afterschool to accommodate parents work schedules.

These meetings are a very important part of the information and learning process and we encourage you to role model for your child that you care about their learning by attending your child's parent teacher meeting.

Sussex and Area Remembrance Service
