Kids Stuff Theatre Presentation

Book Your Calendar for this amazing Fall Show - Oct. 26th @SRHS Community Theatre

Sit back, laugh, and lose yourself in the magic of Remi Boudreau. The show “**REMI – A WORLD OF MAGIC**” is highly interactive and filled with brilliant magic, outstanding illusions and original comedy. Imagine a mind-bending experience where borrowed objects vanish and reappear, float through the air, and challenge your perceptions of reality. The spectators will also witness anything from bird appearances to grand illusions on stage. From the moment the show begins, the audience is engaged in the show. Audience members take the stage to participate in impossible feats of magic, engage in mind reading demonstrations, and be part of the amazement first hand. Remi’s personality and humor reaches out and enchants the audience..

SES Annual Food Drive/Food Chain

We are once again planning our annual food drive in support of the local sharing club. In previous years each child would bring a non-perishable food/household item and we would walk to the old sharing club. The last 2 years we have walked our track to keep our food chain intake! The important part of our food drive is the family support we receive in the form of food items sent to school with your child.

We look forward to your continued support of this initiative that teaches empathy and caring to our students.

Department of Education—10 Year Educational Plan

Parents and community are encouraged to provide input into the current planning process underway for the establishment of a non-partisan educational plan for our province. Your input is a valuable part of this process. Please take the time to visit the website below to provide your viewpoint on what a renewed education system should reflect.

The logo for 'engageNB' features the word 'engage' in a bold, red, sans-serif font, followed by 'NB' in a larger, bold, black, sans-serif font. A stylized white starburst graphic is positioned between the 'e' and 'NB'.
