

Sonics & Families,

We wanted to reach out to all of you to thank you for all of your efforts to continue on with your learning, despite the unique situation we all find ourselves currently in. These are stressful times and we want to remind all of you that our number one goal is to remain healthy and safe as we attempt to continue with our learning. Our SRHS webpage <https://secure1.nbed.nb.ca/sites/ASD-S/1818/Pages/default.aspx> as well as ASD S <https://secure1.nbed.nb.ca/sites/ASD-S/Pages/welcome.aspx> are good resources for the most up to date information from our province, district and school.

As we are well into our second week of online learning, teachers have asked students in grade 11 and 12 to indicate if they have committed to the credit versus enrolled distinction. **Please ensure you have done this Sonics.** We want to again clarify that students will be given recognition for any and all courses they were currently enrolled in this semester and will be able to move onto the next grade or course with that recognition of enrolled. The CREDIT indicates to post secondary schools that the core curriculum has been completed by the students as well as provides these students the opportunity to have feedback on their continued learning. It is important to note that the province has recommended that students attempt only 2 or 3 credits due to the work load.

Support is available to our students in many forms: our G3 Advisors as they make regular contact, our teachers as they connect through email and TEAMS, our guidance department, our resource department, and our administration team. Please reach out with any concerns.

### **Graduates:**

Our potential graduates should know if they were on track to graduate and if they have questions they can reach out to guidance or administration.

Each of you have been added to a Grad TEAM which we will use in addition to our webpage to share information.

Those interested in gaining credit for their Goals, Growth and Grit: Skills for Success 120, better known as G3, will be able to do so by completing one of the two project pathways. We will extend the due date to the end of May. More will come on how the projects will be collected.

G3 Advisors will be confirming proper spelling of your first, middle and last name for diploma preparation for the province over the next few days.

We are looking for ways to celebrate you GRADS!

Continue to work hard, but balance it with self care!

SRHS Staff and Administration
