

# Semester II at SRHS

## ATTENDANCE & UPCOMING CHANGES

Happy New Year!

Semester II begins February 3, 2021

At the start of Semester II, all High School students in ASD-South will be attending school on an A/B rotation. This is a positive change for our students as it allows them to be in the building every other day (no one group will come two days in a row again). This also means that if there is a storm day, the group that should have attended that day will come to school the next day.

Attending school, both in-person and at-home every day is essential for our Province’s Blended Learning Model to be effective during this time of Covid-19. Being present means actively participating in the learning. Another change across our District will be that all high school students will be coded as P (present), rather than as DL on their home learning days (distance learning) for all classes that students are engaged in learning.

Power School will continue to be the quickest way for students and families to see attendance records. Please reach out if you need clarification.

## FINAL ASSESSMENT WEEK: JANUARY 22– 29

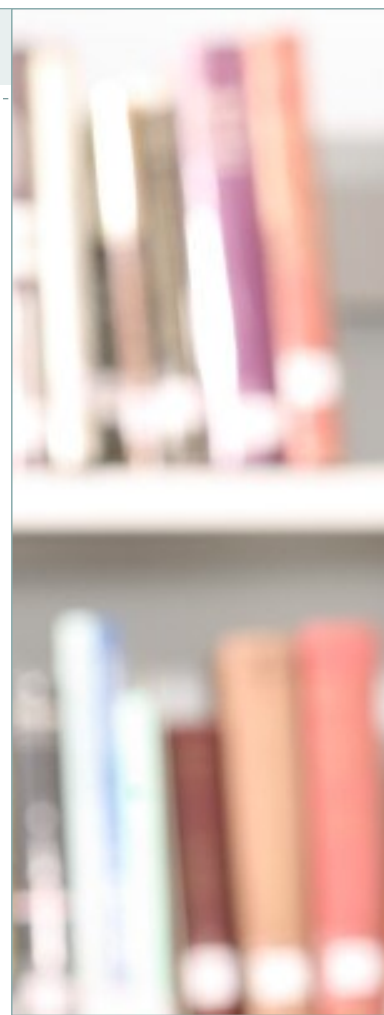

Our Exam/ Assessment Week will look differently this year, but some things will remain business as usual.

The Bus Schedule stays the same during this time, but the bell schedule will be adjusted as Assessments will be written from 8:45am–10:15am and 12:30pm–2:00pm. There will be two assessments per day (morning and afternoon). Students will only attend on the day that they have assessment(s). This will allow our Sonics to be completing final projects, tests, interviews, presentations and exams within the allotted time.

While students are in the building during this time frame and have completed their final assessments, they will be asked to be in a supervised Quiet Study Space or outside the building in order to be respectful of other students who are still working.

*As we finish up Semester I, we acknowledge the challenges as well as the way our Sonics, their families, and our educators have pushed through and done their best. Please look to Semester II with all of the potential it offers as each of us work to do our best together as SONICS!*

|                   | Last Name A-K | Last Name L-Z |
|-------------------|---------------|---------------|
| Friday, Jan 22    |               | Period 1      |
| Monday, Jan 25    | Periods 1 & 2 |               |
| Tuesday, Jan 26   |               | Periods 2 & 3 |
| Wednesday, Jan 27 | Periods 3 & 4 |               |
| Thursday, Jan 26  |               | Periods 4 & 5 |
| Friday, Jan 27    | Period 5      |               |

### IMPORTANT DATES

Jan 5–21 Academic Support Available in the Learning Commons daily

Jan 22–29 Assessment Week
