Staying Connected

To ensure student success at SRHS, communication with both our Sonics and their families is critical. We would encourage you to:

- ◆ access the Parent PowerSchool Portal to see attendance and marks
<https://sisasds.nbed.nb.ca/public/>
- ◆ read the monthly SRHS newsletter
- ◆ reference our SRHS webpage for daily announcements, COVID updates and other important information

Sussex Regional High School strives to support and educate the whole learner by creating a positive, inclusive environment where each person is accountable, respectful, involved and proud of their school community

Graduation 2021

As we work within the Provincial Public Health and Educational Operational Plan, we look forward to celebrating our Grads.

Graduation information was provided to our graduates May 3 & 4 during G3 Grad Assemblies.

Parents should have also received a phone message and email with this information.

A big **Thank you** to those families who have already paid their \$40 Grad Fee!

Please reference the above icon on our SRHS webpage for all Grad Information.

Learning this Summer

There is a potential for a summer school option in Sussex for key courses for the month of July. This will be dependent on interest and enrollment. More information will be available in June.

The Department of Education is also offering a credited course to students in Grade 10, 11 & 12 free of charge this summer. You can find out more information by clicking on this icon on our SRHS webpage.

Finish Strong

With the continuation of high school students attending school in person every other day, we would remind families and Sonics the importance of staying focused for the remainder of the year; both at home as you connect for your 10 min Live sessions and in person on your in school days.

Make use of supports at school such as our Learning Commons being available every day at lunch and after school until 4 p.m. as a space for students to work quietly as well as teachers being available at noon hours for extra help.

This semester will see our Assessment Week June 11 – June 18 with the same format as first semester.
