Staying Connected

Communication with our Sonics and their families is critical as we work together to provide the best education for our students. An opportunity for feedback from our students and parents will be given by a link to a survey. To stay best informed, we would encourage accessing the Parent PowerSchool Portal for current attendance and marks, reading the SRHS newsletter and frequently referencing our SRHS webpage.

Our Sonics have lots for which to be grateful.

Absences and tardies are also listed for each course for both the “in school” days and “at home” learning days. Please reach out if you need clarification.
