Staying Connected

Communication with our Sonics and their families continues to be critical to the success of our students. We would encourage you to:

- ♦ access the Parent PowerSchool Portal to see attendance and marks
- ♦ read the monthly SRHS newsletter
- ♦ reference our SRHS webpage for daily announcements, COVID updates and other important information

Sussex Regional High School strives to support and educate the whole learner by creating a positive, inclusive environment where each person is accountable, respectful, involved and proud of their school community

10 min Live Connection

Sonics are connecting with their teacher and classmates for at least the first 10 min of each class on their "home learning" days this semester.

This is how they will gain their attendance "DL" – distance learning attendance and allow them the opportunity to connect with their teacher from home as they prepare to do their school work.

2021-2022 Course Selection

Grade 9, 10 & 11 Sonics will soon be selecting their courses for the 2021-2022 school year. We will have information about graduation and program requirements as well as course descriptions so they can make the most informed decisions.

Please reference the Guidance Tab on our SRHS webpage for important information during the month of March.
