

With report cards and Parent-Teacher interviews last week, we begin the final quarter of the school year. We would encourage our Sonics to continue to work hard, seek academic support if needed and participate in the life of SRHS. Many of our students are involved in the drama presentation *Musical Memories: A Celebration of SRHS Theatre* this week and I would encourage you to come and enjoy all their hard work and talent.

## Our Vision

Sussex Regional High School strives to support and educate the whole learner by creating a positive, inclusive environment where each person is accountable, respectful, involved and proud of their school community.

To protect the learning environment at SRHS, we have zero tolerance for language that is racist, sexist, discriminatory, prejudice, hateful, or obscene.

## As the 2023-24 school year approaches...
