Our Sonics have been settling into their classes, connecting within their G3 groups twice a week, and participating in some school wide events: **Red & Black Spirit Day** with a free barbeque at noon, raising funds for Cancer Research as they participated in a Terry Fox Walk, participating in and acknowledging the National Day of Truth & Reconciliation as well as an assembly on Consent by Crown Prosecutor Shara Munn.

Connect, Reconnect and Be Involved

As some of our Fall Sports are finishing up, we would like to thank the coaches for their dedication and countless hours of volunteering. We also congratulate our Sonic athletes on a good season! A big Thank You to the many family members and other fans who took the time to come out and support our Sonics.

Thank You!

We would encourage all Sonics to look for new opportunities to become involved in Winter teams as well as other opportunities such as; Student Council, Key Club, Yearbook, GSA, Rotary, Tutoring, etc.

Communication

Power School is a great way for both Sonics and their families to stay connected regarding attendance and for academic feedback on student's course work.

You can connect to PowerSchool through the link on our website. To add your students call the school for their access ID and password. Our district code is DCJH.

Our pass mark is 60% and we would encourage you to click on the mark in Power School to get more details about the break down of that mark.

The school webpage SussexHigh.nbed.nb.ca has valuable information such as daily announcements, how to get a transcript, how to buy school items or pay student fees, and a list of upcoming events.
