

These are some suggested FILA learning activities for the week:

### Speaking/Listening

- a) Practice [Duolingo](#)
- b) Optional: Prepare for [le Concours d'art oratoire](#) online. Students can submit their videos and email them to their teacher.
- c) Phone a friend and practice speaking. Late immersions- practice the 100 questions with a friend! Or join a class meeting on Teams. (les structures de phrase)

### Reading

- a) You choose the level you are most comfortable with...
  - [Le camping](#)- easy level (10)
  - [Le Jeune Pharaon](#) (chapters 1-3) is intermediate (levels 15-20)
  - Le plastique- news article with more challenging questions ( level 25-28)
- b) Read in French for 20 minutes every day. Check out [Boukili](#) on our SMS school website under French Immersion. There are lots of levelled reading books free for you to read online.

### Writing

- a) Write a poem, journal entry or a song in French.
- b) Fill out the [COVID-19 Journal/Time Capsule](#). You can find the French version of this under the French Immersion section on our SMS school website. This is a unique time in our world today and journaling is an excellent way to reflect. It also makes a great keepsake to look back on in the future.
