Hope Springs (with Cautious Optimism)

The Government has moved us to [Level 1](#) as of Friday. This move has a much different feel than previous changes and many are speaking optimistically about what lies ahead. We will work with all our student groups to determine what this means for traditions at RHS, and we are hopeful that this spring will look more like the Nest did pre-COVID. At the school level, we must remain vigilant in our masking protocols as cases continue to climb within our walls. The Omicron variant is very transmissible and some of our students and staff have had severe symptoms.

Families are still asked to monitor their child daily for symptoms; however Public Health has updated whether individuals need to isolate and test for COVID-19.

- Students and staff with **one** of the following symptoms should isolate and get tested for COVID-19: fever; loss of sense of taste; or loss of sense of smell.
- Students and staff with **two or more** of the following symptoms should isolate and get tested for COVID-19: a new cough or worsening chronic cough; difficulty breathing; runny nose; sore throat; headache; diarrhea; new onset of fatigue; or purple markings on fingers or toes of children.
- Unvaccinated students who test positive will be required to isolate for 10 days before returning to school, or 5 days for fully vaccinated staff and students. Students and staff members are also required to isolate if a household member tests positive.
- If a student or staff member tests positive for COVID-19 while they are isolating, their isolation period will start over. The isolation period of other household members **is not extended** unless they also test positive for COVID-19.
- Fully vaccinated students who test positive **must wait 5 days** following their isolation before participating in any extracurricular or intramural activities.

Please call the school on 847-6204 to advise of student absences.

Weekly Schedule

Feb 21-25

Mon – NO SCHOOL

Tues – PSSC (6pm)

Wed – Pink Shirt Day

Thurs– Winter Formal

Fri –

Feb 28-Mar4

Mon –

Tues –

Wed–

Thurs –

Fri -

Upcoming Events

Tuesday Feb 22 – PSSC meeting 6pm (Rm 103)

Thursday Feb 24 – Winter Formal (QPLEX)

Mar 7-11 – March Break (No School)

Supporting Your Students @Home

Absences & Missed Time – some advice

1. **Phone a Friend:** It will be important that your student has someone in each class that they can reach out to if they miss class. This person can share their notes from the day, let your student know about any tests/quizzes coming up and otherwise keep them up to date
2. **Consult TEAMS:** While we are no longer providing an online learning model teachers continue to use TEAMS for course outlines, handouts, assignments etc. Students should explore TEAMS before sending questions to the teacher.
3. **Seek help from the teacher:** Either upon their return to school or via TEAMS students can seek assistance from their teachers. The reply via TEAMS may take up to 24-48 hours depending on circumstances.

Reminders & Celebrations

- **Graduation!** –Our graduation memo was delayed due to some changes in protocols, we anticipate sharing more this week. The grad fee for all school-based events will be \$100 (added to Cashless Schools). The \$100 includes the gown, lawn signs, diploma mount, decorations, gift bags, and digital photographs. Additional fees will be required for the Prom/Safe Grad event being run by parents.
- **Volleyball Coaches NEEDED** – We are still looking for coaches to cover our two boys’ teams. If you or someone you know can help, please reach out to Kara.Johnston@nbed.nb.ca
- **Congrats to the Teacher and Student of the Week!** Mrs. Katie Robinson and Ian Gao have been recognised this week by our Leadership Class! If you have not done so already please follow **@rothesayhigh_athletics** on Instagram to watch “Hawk Talk” released every Friday!
- **We are RedHawk Proud of Alex Hawkins!** On Feb. 23, we’re celebrating International Day of **Women and Girls in Science** with a free, virtual event for girls interested in science. If you know a girl in high school or university who loves Science, encourage her to register to this FREE virtual event and meet others who share her interests. Everyone is welcomed, not just girls!
- **Yearbook needs photos – students are asked to contribute their photos to Yearbook by completing this [FORM](#)**

VOLLEYBALL COACHES NEEDED!

Varsity Boys

Tryouts can begin Feb 7th
 Season begins Feb 28th
 Senior Regionals May 14th
 Senior Championship May 28th

Jr. Boys & Girls

Tryouts can begin Feb 7th
 Season begins Feb 28th
 Junior Regionals April 30th
 Junior Championship May 7-8

Breakers on Sunday and defeated them 81-40, which will send them into second place going into Regionals! Way to go, Hawks!!

Girls Hockey is looking to finish the week off strong at the Peter Murray Arena where they will face off against the SJHS Greyhounds.

Another great week at the Nest for the Hawks! Girls Hockey and JVB Basketball kicked us off with an 8-0 win over the Hampton Huskies in the rink and a 114-25 win over Huskies on the court! Varsity Girls Basketball hosted the SSSH Spartans on Wednesday night in their first playoff game, walking away with a 69-32 win over the Spartans. They were set to host the Harvey Lakers on Friday, but the weather got in the way!

JVB Basketball were back in action on Thursday in Hampton and came home with an 80-26 win over the Huskies. Friday's games took a hit due to weather again, but JVB Boys Basketball was on the road again to St. Stephen, playing in double header action defeating the Spartans 71-41 and 58-48! They hosted the Grand Manan
