

# **Welcome to Course Registration for 2020 -2021!!!!**

A student's guide to a successful course selection

**<https://sisasds.nbed.nb.ca/public/home.html>**

Course registration is the opportunity for students to select which courses they would like to study in the 2020-2021 year. We do our best to ensure that students receive their first choices, but that is not always the case and, particularly when students are looking for a course that has only one section offered. If they don't receive their first choice, their alternates are used. It is important to carefully consider your alternates when selecting courses.

Good Luck!!

## Important Information for Students entering Grade 11

- English 11 is a full year course worth 2 credits. **Students must choose English 11, level 1, 2 or 3**
- Students must also take Modern History in grade 11. They can choose Modern History 112, 113 and French Immersion students must take FI Modern History
- **French Immersion students require 5 courses** in French Immersion for graduation purposes.

**Students are asked to carefully think about their courses and choose wisely.**
