

Welcome to Online Course Registration for 2020 -2021!!!!

A student's guide to a successful course selection by computer or phone

<https://sisasds.nbed.nb.ca/public/home.html>

Course registration is the opportunity for students to select which courses they would like to study in the 2020-2021 year. We do our best to ensure that students receive their first choices, but that is not always the case and, particularly when students are looking for a course that has only one section offered. If they don't receive their first choice, their alternates are used. It is important to carefully consider your alternates when selecting courses.

Good Luck!!

Important Information for Students entering Grade 10

- 1) Students entering Grade 10 now require 2 Math Credits to Graduate. Numbers, Relations and Functions (NRF) is now considered a Graduation Requirement.
- 2) Students in grade 10, must select 1 Specialty (Art, Health Phys Ed, or Music).
- 3) Students in grade 10 must select 1 grade 11 course. Physics is not an option until grade 11.
- 4) French Immersion students must select the French immersion options.

Students are asked to carefully think about their courses and choose wisely.
