UPDATES

Schedule for upcoming week—Last week we had the unfortunate weather that interrupted our Assessment week. Therefore:

- Monday will be last day of final Assessments (Period 5)
- Tuesday and Wednesday we will have turnaround days (no school for High school students). These days are given to high school staff to prepare for second semester.
- Students will start Semester 2 on Thursday, February 2nd. That day will begin in Homeroom, with a school wide pancake breakfast by the SRC.

Yearbook Orders—please use the link in the email to order your yearbook. Pre-orders close March 1

Powerschool—Please note that parent/student access to Powerschool is shut down at this point. It will reopen once final assessments are complete.

Course Registration 2023—2024—On February 15th, we will begin our process for course registration for the 2023-2024 school year. We will be completing a number of presentations to the students as well as parent information session the night of February 15th. We will be sending more information on this in the upcoming weeks.

My Blueprint Training sessions for students—During the month of February, we will be having full school training session on Feb 10, 17, & 24. This is part of the course registration process. Students will need their device for this training. My Blueprint is a platform that allows students to explore and document their interests and support them in the process of course selections and career pathways.

RHS Fundraiser (Pretty in Pink) - It is going to be an amazing event!!! We have reached capacity for the Cafetorium, so the event has been moved to the gym! Lots of tickets sold with more available! Be sure to buy yours on Eventbrite!

Baked goods— The fundraising committee is also looking for anyone willing to donate baked goods the night of our big fundraiser, Feb. 11. These baked goods will be auctioned off that night! Please let me know if you are willing to share your pastry skills with this committee.
