Supporting Your Students @Home

Preparing for Re-Assessment – the largest gains in both knowledge & skills were made by students who prepared/studied for re-assessment.

- **Parent Portal** - please check all grades and assignments by clicking on the S2 grade for each course and seeing:
 - What is missing? Get the missing assignments handed-in!
 - What is lower than expected? Target these areas
- **Studying/Preparing** - students should be asking for guidance on how to best prepare for re-assessment from their subject teachers. This can be done before school, at lunch, after school or via TEAMS chat/private channels.
- **Reduce Screen Time and Encourage Rest** – students perform best when they sleep well so helping your teen with reducing screen time before bed should pay off during re-assessment. Encourage your students to turn the phone off at least 30min- 1hr before bed

Reminders and Celebrations

Musical Talent → Congratulations to Hannah Clark (Junior) and Charlie Clements (Intermediate) for winning the Provincial Music Festival Gold medals in Musical Theatre! We cannot wait to see you both on stage here at RHS next year!

Congratulations → Ethan Saunders (Grade 12) was the runner up in the Provincial Chess Championship this past month! Shout out also to Rowan McInnis for qualifying and for winning a medal at the competition as well.

Class of 2021 → Please reach out to Mr. Peters with any questions about your grad packages sent home last week! Graduates were sent home with the following on Wednesday & Thursday:

- Cap & Gown, Tassel, Face Mask and V Stole for June 24th
- Parking Passes for drive through ceremony
- Letter with details of graduation and how it all works.
- Lawn Sign!

Class of 2022 → Congratulations to the following students who will make up next year's grad class executive: **Oluwanifemi Apantaku, Nick Ashfield, William Gallant, Lauren Gillis, Olivia Stewart!**

We also shared many details with the class of 2022 during an in-person assembly this week. Sadly, many students did not attend – it will be very important for students to make the effort to be present for future assemblies as grad year is full of deadlines!

4 School Days until Graduation!
2 days for each group of in-person attendance!

Dear parent/guardian:

Please be advised that Photography Flewwelling will be offering summer grad photo sessions for the graduating class of 2022 during the weeks of July 12th-16th & 19th-23rd and the weeks of August 9th-13th & 16th-20th. These sessions will take place at our studio located at 85 Princess Street, Saint John.

We will be contacting the grads of 2022 (who signed up at the school in May/June) to schedule appointments. You can contact the studio directly to schedule an appointment for those who did not sign up at the school already.

We offer these early summer sessions so the students can have outdoor photography and friendship photos taken. Graduate photography will also take place at the school in the fall and notices will be sent home in the fall (from the school) with more information on those dates.

The sitting fees for these summer sessions are:

Indoor grad (cap and gown) -	6 poses \$25.00
	9 poses \$30.00
Outdoor casual session -	6 poses \$25.00
	9 poses \$30.00
Friendship session (two people)-	6 poses \$25.00
	(\$5.00 for each additional person)

The above fees are taxes included and are for the above designated summer days only. Private session (on any other day) fees are higher. Fees at the school in the fall are the same as our summer dates however, we do not offer outdoor casual or friendship sittings then.

Thank you
