## It Takes a Village to Raise a Teen

This phrase takes on a double meaning this week as we share an event hosted by the 4-city high school PSSC's about helping teens manage their anxiety and stress coming out of the pandemic. Event is being *hosted at Simonds High School on Wednesday May 4 from 6:30 -8pm*. See Ad on page 3.

The true reason for the use of the title is that no one can help guide, mentor, and educate our teens on their own. It truly takes a community (Family+School+Neighbours), working together to do this well. Keeping the lines of communication open is critical to developing plans to help your teen. To that end we have two exciting events on the horizon that we would like to share with our school community.

1. **Grade 8 Parent Information Evening** – An evening where we highlight the grade 9 program, courses, homeroom, extra-curricular, and the overall school community. We hope to answer any questions that families might have about start up. This event will be hosted on TEAMS (VIRTUAL MEETING) – Wednesday May 11 from 5pm-6pm.
  - a. [CLICK HERE TO BOOK A SPOT ON THE TEAMS MEETING](#)
  - b. *Please note:* Grade 8 students will be visiting RHS on Thursday May 26 to get a feel for the high school environment and to meet some of our fantastic student leaders.
2. **RHS Community Night** – An evening to connect families with additional resources to support learners with exceptionalities, students who may require supports in the workplace and any student who might need assistance finding work. This is open to all families within our catchment area. Many local agencies will be in attendance like New Brunswick Association for Community Living, Key Industries, Hire Potential, Social Development, The Work Room and more! This event will be held at Rothesay High School Learning Commons (library) on Thursday May 12 from 5:00-7:00pm. All are welcome.

# Supporting Your Students @Home

## **32 School Days Remain – Including 5 days for Exams**

With only 27 more learning days remaining, it is important that we assist our teens remain focused on finishing strong.

1. Families are encouraged to create a calendar for May & June with key dates. Students can add major deadlines, social events, and exams. In this way, the entire family can help keep the student(s) on track.
2. Students should sit with parents to look through Gradebooks. Anything that stands out should be addressed by the student with the teacher prior to any parent communication.
3. Graduates are reminded that their Universities/Colleges/Private Colleges are all looking to confirm placements around this time of year. Review your acceptance documents to ensure you have met all fee deadlines, transcript submissions etc. [TIP – NBCC communicates using the students newly assigned NBCC e-mail – students should be checking this weekly!]
