June Happenings in the Nest

The last two weeks of classes bring lots of celebrations and lots of preparation for Re-Assessment Week and Graduation. Here are a few important highlights.

1. **Disability Awareness Week** (May 30 – June 5) This year's theme is "Let's Talk Ability!". In this spirit I would like to thank two local employers who supported RHS student ability but taking on co-op students this year – KV Greco and Renforth Auto Centre. We appreciate all partnerships in CO-OP, but we want to celebrate employers who see the ABILITY of our youth!
2. **K.D. Day** - A tradition that we hope to see return in 2021-2022 school year is back for 2 days only for the Class of 2021! Grad will be invited on Wednesday and Thursday to go to St. David's United Church and get a grab and go KD lunch in celebration of their graduation!
3. **Entrepreneurship Market - Tuesday** and Wednesday (June 1 & 2) 8 student businesses will be on display in the cafeteria and many products will be available for purchase! Watch for posters and advertisements on the announcements for more information. Thank you to Mr. Fox for organizing!
4. **Extra-Curricular Awards - Instead** of our usual assembly we will be hosting virtual awards on Wednesday June 9 & Thursday June 10. Student winners will be invited to attend the ceremony in the lecture theatre and the rest of the student body will watch together in their P3 classes.
5. **Student Appreciation Days (June 9 & 10)** – Anglophone South School District is hosting these days to celebrate the patience, resilience, and hard work of our student body! RHS will celebrate with gifts for all students, freebies at lunch with live music on the front lawn and treats in P3 while you watch the awards ceremony via TEAMS!
6. **YCAN (YMCA Community Action Network) Donation Drive** – We are looking for Day to Day items and toiletries for the homeless populations in our region. The bin is in the front hall - see ad on page 7.

Supporting Your Students @Home

Preparing for Re-Assessment – the largest gains in both knowledge & skills were made by students who prepared/studied for re-assessment.

- **Parent Portal** - please check all grades and assignments by clicking on the S2 grade for each course and seeing:
 - What is missing? Get the missing assignments handed-in!
 - What is lower than expected? Target these areas
- **Studying/Preparing** - students should be asking for guidance on how to best prepare for re-assessment from their subject teachers. This can be done before school, at lunch, after school or via TEAMS chat/private channels.
- **Reduce Screen Time and Encourage Rest** – students perform best when they sleep well so helping your teen with reducing screen time before bed should pay off during re-assessment. Encourage your students to turn the phone off at least 30min- 1hr before bed

14 School Days until Graduation!

Approx. 7 days for each group of in-person attendance!

Dear parent/guardian:

Please be advised that Photography Flewwelling will be offering summer grad photo sessions for the graduating class of 2022 during the weeks of July 12th-16th & 19th-23rd and the weeks of August 9th-13th & 16th-20th. These sessions will take place at our studio located at 85 Princess Street, Saint John.

We will be contacting the grads of 2022 (who signed up at the school in May/June) to schedule appointments. You can contact the studio directly to schedule an appointment for those who did not sign up at the school already.

We offer these early summer sessions so the students can have outdoor photography and friendship photos taken. Graduate photography will also take place at the school in the fall and notices will be sent home in the fall (from the school) with more information on those dates.

The sitting fees for these summer sessions are:

Indoor grad (cap and gown) -	6 poses \$25.00
	9 poses \$30.00
Outdoor casual session -	6 poses \$25.00
	9 poses \$30.00
Friendship session (two people)-	6 poses \$25.00
	(\$5.00 for each additional person)

The above fees are taxes included and are for the above designated summer days only. Private session (on any other day) fees are higher. Fees at the school in the fall are the same as our summer dates however, we do not offer outdoor casual or friendship sittings then.

Thank you

HOST FAMILIES WANTED!

Homestay parents are making a difference in the lives of international students. Through their roles as hosts, they contribute to the cultural and economic growth of our province.

Each year over 800 students from more than 25 countries, between the ages of 12 and 18, apply for stays that vary in length from several weeks to a full school year. They come to study, improve their English, learn about Canadian culture, and develop friendships to last a life-time while living with New Brunswick families.

Whether married, single, with or without children, retired, or empty-nesters, our host families all have one thing in common: they welcome the student not as a guest, but as part of their family.

HOSTS PROVIDE

- a safe, caring home
- a private bedroom
- nutritious meals
- internet access
- opportunities to join activities

NBISP PROVIDES

- host orientation
- student school registration
- ongoing support by a homestay coordinator
- organized monthly activities for students
