NEW BRUNSWICK PUBLIC COLLEGES ENTRANCE SCHOLARSHIP

Starting in 2019-2020, in honour of the pioneers of the scholarship, it will be retitled for these high schools to (all others will remain the same name):

Peter McGill Scholarship*

- i. Simonds High School,
- ii. Saint John High School, and
- iii. St. Malachy's Memorial High School.

Maurice Roy Scholarship*

- i. Bathurst High School.

*Nota: A brief message has been provided here below and the contact information of the pioneer.

Value: \$1,000 (in two equal installments, by cheque made payable to the student and the college, towards their tuition fees)

Selection criteria are based on:

- Academic record (40%) ➤ Extracurricular activities (30%) ➤ Financial need (30%)

Selection Committee:

Each high school has the privilege to select their top three candidates. The Selection Committee must send in, **no later than June 6**, the scholarship application form of their candidates, emailed (scanned), identified in ranking order (1st= recipient, 2nd & 3rd = alternates).

If your top candidate leaves their program, cannot attend the public college or does not pursue his studies into the 2^e term, the alternate will be the beneficiary of its entirety or in part.

Proof of reception of the award:

After I receive your selection, a sealed envelope for the recipient will be forwarded to you for graduation.

Brief message and contact information of the pioneer

Peter McGill Scholarship

In 1976, Peter McGill, began his Community college career as an instructor in the Business Technology program at NBCC- Saint John campus. He taught and learned as he progressed in the teaching profession, later taking on the responsibilities of Dean of studies for the college's 30 programs. His time as Principal at the college included a close working relationship with Business and industry and Community leaders, and performing the responsibilities required of this office. Following his time at NBCC, Peter worked for several years at the University of New Brunswick - Saint John Campus as Director of Saint John College.

Throughout his career, Peter was able to observe and appreciate the efforts, struggles and successes of thousands of students who were then able to go on to good and satisfying careers, becoming valuable and productive members of their communities. He was keenly aware of the financial struggles which many students faced then and continue to face to this day. This led Peter to becoming one of the key proponents of the development of The NBCC Foundation Inc. – La Fondation du CCNB Inc. Endowment, and one of the its most valuable fundraisers during its very first financial campaign. The resulting bursaries, presented annually to high school graduates honours the special efforts of key fund raisers like Peter McGill, who committed time and resources for the betterment of future students at NBCC.

Brief message and contact information of the pioneer

Maurice Roy Scholarship

A college education, too often underestimated, is today without question one of the pillars of social and economic development in our society. On many occasions, first as an engineer and later as an educator, I have had the privilege of observing and appreciating the contributions of this level of education at the provincial, national, and even international levels.

This scholarship is both a recognition of the success of its recipients and a celebration of the institution which is the New Brunswick Community College, the acknowledged leader in trade and technical training in our province. I am proud to have contributed to the development of this scholarship....I wish all graduates the very best of success!

Forever, a dedicated Ambassador of the New Brunswick Community College,

Maurice Roy
