Back to School – Version 2

Good news arrived today in the form of a tentative agreement that will allow schools to open tomorrow. Our Custodial team is on site today getting the building up to scratch for students and staff.

The **re-start of in-person learning** tomorrow will mean some review of material covered during the @HOME days and a chance for some final re-assessment tasks to be completed over the coming days. Please be patient as both students and staff regain their rhythm.

Report cards will be handed out during Homeroom classes tomorrow.

Extra-Curricular Activities can resume within the school building beginning tomorrow morning. We will be deciding in the early days of this week about the show dates for our Fall Musical GREASE! Stay tuned.

Reminders and Celebrations

- **GRAD PHOTOS** – Please bring in your proof sheets and order envelopes on Monday (please return them no later than Tuesday morning)
- **MUSICAL** – Stay tuned for show dates and possible ticket sales
- **SPORTS** Round Up
 - a. Varsity Boys Basketball won the Hartland High Tip Off Tournament, hosted at Carleton North High School, with a win over Carleton North in the finals.
 - b. Our first swim meet of the season was held on Saturday with many highlights for RedHawk swimmers.
- **Hockey Home Openers:** Monday Night at the Rink is BACK! Girls Hockey plays at 6:00pm against Saint John High School and Boys Hockey plays at 8:00pm against KVHS. You need to show your ID and vaccination status at the door and pay at the gate.
- **COVID-19:** While the circuit breaker has ended - the need for masks and hand sanitizing is greater than ever. With the opening of the border and more travel happening we must remain vigilant and disciplined in our safety standards. Other schools in ASD-S had significant outbreaks just before the strike and we want to avoid a similar fate.
